ADDITIONAL SITE INFORMATION

Inside crating is restricted to workers who have signed up to volunteer. If space is available non – workers may also crate inside but priority will be given to workers.

Shoes - handlers need shoes with low traction to avoid "sticking" to the turf. Trail shoes do not work well. Please choose something with less tread.

All turf accidents must be reported immediately and a \$5 clean up fee has to be paid to Level Up Dog Sports. Dogs must be kept on leash when not in the ring.

VOLUNTEERS

Those volunteering to work one class may crate inside the building for that day.

Please click on this link to volunteer:

CVAC offers an excellent Workers' raffle and CVAC bucks for working in each class. We will provide water for workers. A light lunch will be provided for workers only.

Please make appropriate arrangements for food each day.

There is a wide range of fast food and restaurants on the northern side of the I295 Exit.

PARKING

Parking in the alleyway on the Exit door side of the building is for trial officials only. Anyone parking there without permission will be asked to move. Please be attentive to parking spaces. You can park on the road in front of the facility – but not in areas marked by traffic cones or in front of fire hydrants or gates to neighboring businesses.

Anyone crating inside the building is allowed to unload and then we request that you park away from the building to allow those working out of their cars to park closer to the building.

Access to the front offices of Level Up is restricted to LUDS staff only.
